Opera Spotlight:

Two Guild Artists Join Cast of San Diego's La Traviata

We're thrilled to share that two of our recently featured artists are heading to the big stage!

DeAndre Simmons, who captivated us at our *Season Closing Celebration*, and **Felipe Prado**, a standout at last week's *Opera in the Park*, will both appear in San Diego Opera's production

of *La Traviata*, April 25–27.

As part of our partnership with San Diego Opera, we're excited to offer our members an exclusive [Friends & Community Discount](#) to see these rising stars in action. Don't miss this chance to support talent from our own Palm Springs Opera Guild family!
